Who are we ?

NORTH BRADLEY PARISH COUNCIL

North Bradley Parish Council proudly serves the communities of North Bradley, Yarnbrook, and Brokerswood. Since its establishment in 1866 the Council has worked on behalf of local residents to represent their interests and support the continued development of the parish.

The purpose of the Parish Council is to ensure that the local environment is maintained, protected, and enhanced while reflecting, as far as possible, the wishes of the local electorate. The Council is committed to promoting a safe, welcoming, and thriving community by supporting local services, maintaining community assets, and helping to ensure that facilities meet the needs of residents now and in the future.

Working closely with residents, local organisations, and Wiltshire Council, North Bradley Parish Council strives to preserve the character of the parish while embracing opportunities that benefit the communities of North Bradley, Yarnbrook, and Brokerswood.

The Parish Council consists of a Chairman, Vice Chairman and nine members together with the Parish Clerk. The Full Council meets twelve times a year at the Progressive Hall, North Bradley on the first Monday of each month at 19:30. (Unless it's a Bank Holiday, in which case it's the second Monday.)
